Attendance Policy

We will follow the Mississippi State University Policy on **Class Attendance and Reporting Absences** (URL: <http://www.policies.msstate.edu/policypdfs/1209.pdf>)

Occasionally students miss examinations. If you know in advance that you will be absent, you must meet with me before the date of the exam and I will let you know whether or not the absence will be excused. If your absence will be excused you may take the exam at a mutually convenient day/time.

If you miss an exam unexpectedly, you must meet with me at the earliest opportunity possible after the absence and provide documentation to support your claim that the absence should be considered excused. If the absence is excused, I will substitute your final exam score for the missed exam. For unexcused absences from exams you will receive a score of zero points.

Auditing students are expected to attend class unless there is an exceptional reason (see the policy link above). Auditing students are not required to attend labs, take tests, or take quizzes.

Upon accepting admission to Mississippi State University, a student immediately assumes a commitment to uphold the Honor Code, to accept responsibility for learning, and to follow the philosophy and rules of the Honor Code. Students will be required to state their commitment on examinations, research papers, and other academic work. Facial Coverings

To safeguard the health of all members of the MSU campus during this global pandemic, the university has reconfigured classroom spaces and adjusted room capacities to assure adequate physical distance between all individuals in each room. In addition, the university has published requirements for the use of face coverings for everyone on campus, including specific requirements for their use in all classrooms, labs, and shared office spaces regardless of physical distancing. In order to mutually protect the students' freedom to learn and the instructor's ability to teach in a safe classroom environment, [everyone in this classroom is required to wear a face covering in the classroom in accordance with MSU policy](#). If a student cannot wear a face covering due to a medical condition, they should request an accommodation via the Office of Disability Support Services. If a student simply doesn't want to wear a face covering, they will not be permitted to remain in the classroom or lab.
